Thank you for your interest in the QOLIE-10-P. Epilepsy Therapy Project (ETP) holds the copyrights for the QOLIE-10-P, on behalf of the QOLIE Development Group. ETP grants permission to use the QOLIE-10-P in accordance with the following conditions that shall be assumed by all to have been agreed as a consequence of accepting and using this document:

1. Copyright Statement to be printed on every QOLIE-10-P:

Patient Weighted QOLIE-10-P (QOLIE-10-P) copyright by the Epilepsy Therapy Project on behalf of the QOLIE Development Group; Adapted from the QOLIE-10, copyright © 1993, Professional Postgraduate Services and the QOLIE Development Group.

2. Changes to the QOLIE-10-P may not be made without the written permission of ETP. Any such changes shall be clearly identified as having been made by the recipient. This restriction is necessary to maintain the structural integrity of the original instrument.

3. The user accepts full responsibility and agrees to indemnify and hold the copyright holder harmless for any consequences resulting from the user's use of the QOLIE-10-P.

4. The user accepts full responsibility and agrees to indemnify and hold the copyright holder harmless for the accuracy of any translations of the QOLIE-10-P into another language by the user and for any errors, omissions, misinterpretations, or consequences thereof.

5a. Academic groups requesting use of QOLIE-10-P translations are given automatic permission for use with one copy of each questionnaire as requested.

5b. Non-Academic groups interested in using the QOLIE-10-P translations should contact ETP (Joyce Cramer) for additional information. No other group may provide copies of the questionnaires for non-academic use. All non-academic sponsors are asked to pay licensing fees to Epilepsy Therapy Project to support the nonprofit website www.epilepsy.com.

6. ETP allows translation and cross-cultural adaptation of all instruments. The user agrees to provide a copy of the new version (paper and electronic) and information about the conditions of translation to ETP (Joyce Cramer) when it is completed. All versions will be archived for distribution on request. ETP will hold the copyright for all language versions.

7. The user agrees to notify ETP (Joyce Cramer) of any publications in which QOLIE-10-P data are presented. This information will be listed in a bibliography

8. When the QOLIE-10-P is described in a publication, the citation should be listed as Cramer JA, Perrine K, Devinsky O, Meador K. A brief questionnaire to screen for quality of life in epilepsy: The QOLIE-10. *Epilepsia* 1996; 37:577-582.

No further written permission is needed for use of translations of the QOLIE-10-P.
